

EXHIBIT at ASV 2021

A Virtual Event
July 19 – 23, 2021

Overview

The virtual exhibit booths provide the exhibitor or sponsor the ability to reach attendees like never before. The attendees will be able to easily search, browse, and learn about your organization at their own pace and time. The virtual exhibit booths also give you the ability to attract new leads outside the traditional exhibitor hall hours, as the page will be up before, during, and after the meeting, increasing your exposure.

Dates

Your exhibit booth will be visible as soon as the meeting site goes live on ~ July 1. The site will remain live for one week after the meeting ends.

Managing your 'booth'

Once registered, you will have access to the exhibitor management portal, where you will be able to manage your profile, register your staff, and add content. You can add social links, upload files, and add a website to help attendees learn more about your organization.

Price: \$750
