ABOUT ASV 2025

We invite you to be a part of the **44th Annual Meeting of the American Society for Virology**, taking place in person from July 14 - 17, 2025 at the Palais des congrès de Montréal in Montréal, Québec (CA). This event will bring together over 1,600 virologists from around the world, making it an exceptional opportunity for your organization to connect with a global audience of experts.

WHY EXHIBIT WITH US?

Exhibit tables will be prominently located in a large room in the Palais des congrès de Montréal, alongside the ASV poster presentations. This strategic placement ensures that ASV exhibitors enjoy maximum exposure during the event.
